EBOOK Publish Your First Digital Magazine: Taking You from Concept to Delivery by by Lorraine Phillips

If you're serious about publishing a digital magazine, then look no further. Publish Your First Digital Magazine is a must-read for all the creatives who are passionate about sharing a message with their audience and looking for innovative ideas, strategies, tools and techniques they can use to do so. Covering flip books, apps, online newsstands and blog-style magazines, you will learn: magazine business fundamentals, how to create an editorial philosophy, how to build an editorial calendar, places where content and images can be found, the different ways a digital magazine can be monetized and the tools that will be necessary for producing a digital publication. Additional topics include: how to effectively use social media to connect with your audience, considerations for setting up a website or blog and search engine optimization techniques that can help to improve your magazine's visibility on the Web.
